

These names should be RESERVED. They should not be made available to outside players, though they may be made available to insiders. If any of these names are already taken by outsiders, let us know right away, so we can change the manual.

Arnquirt	Cosmo	Fledmich	Planterret
Berford	Dredmitch	Fredrhackh	Platorius
Blattwork	Falrouche	Gerfingle	Rosetta
Bleenquit	Fendersneek	Grizelda	RubinSnide
Blumbeach	Ferdinand	Jeanette	Zapmeister
Columbius	Figwash	Phlebitus	

These names need not be reserved, but should be investigated. They are mentioned in the manual in contexts where having persons use them should not result in any problems. However, it might be better if they were taken by insiders (some of them already are, I know).
