

QUESTION:

If you were charged 8 cents a minute,
about how many hours a week would you
expect to play Habitat?

Habitat is as addictive as anything else
on Q-Link. I would probably spend most
of my time up there which, lately, has
been about 20-30 hours a week, personal
time.

about 4 or 5. Hard to say since I've
never paid 8 cents/min. here for any
activities so I have no regular non-Hab
activities at charge to compare to.
