

QUESTION:

If you have received disk version 6.4, about how many hours have you, yourself, spent in Habitat since receiving the disk a few weeks ago?

Please press F7 to respond to this question.

I didn't keep a log....but
around 4 hours a week.

Mail to: habitatq23
Mail From: OSGOOD
40-60 I guess...it takes about 16 hours
to produce a RANT and there have been
two RANTS since 6.4 therefore at least
32 hours: probably 40 is close.

Only about 3 :)\....been real busy with
the holidays coming up, also....the
participation is down....makes it a
lot LESS fun to play when there is no
one to play with!!

probably no more than two hours
altogether. I can't seem to find
anyone else online who isn't on
their way out... and it doesn't take
that long to read the newspaper and
answer my mail.

:
I estimate only about 7 hours...
I moved, and spent weekends with
friends. The latter has kept my
usage down, due to the confidential
nature of Habitat at this time.
