

```

@.....@
.   Welcome to Lucasfilm's Habitat!   .
.You are about to enter an exciting new .
.world of fun and adventure.  You will .
.take the role of a character called an .
."Avatar", such as the one shown below. .
.   (Press return for more).
@.....@
.Before you can begin, you need to decide.
.what your Avatar is going to look like. .
.You can pick your Avatar's sex, height, .
.head style, and hair and body color .
.scheme.
.   (Press return for more).
@.....@
.Use the function keys to change the .
.different characteristics of the Avatar .
.on the screen below.  When it looks the .
.way you want, press the space bar and .
.you will enter the world of Habitat. .
.   (Press return for more).
@.....@
.F1 changes sex, F2 changes head style. .
.F3 increases height, F4 lowers it. .
.F5 changes hair, F6 changes leg color. .
.F7 changes torso color, F8 changes arm .
.   color.
.Press the space bar when you're finished.
@.....@
.(Just in case you hit the space bar by .
.mistake)
.
.Is your Avatar now customized the way .
.you want it to be? (Type Y or N)
.
@.....@
.OK!  Here we go!  You will first appear .
.inside your "Turf".  This is your home .
.within the Habitat.  Don't forget to .
.read the free copy of the Daily Rant you.
.will find there.  Above all, have fun! .
.   (Press return to enter the Habitat).
