

1. What is the error rate on packets across the net?
Error requiring retransmission ~1 per week (causes 6-10 second delay)
Error that gets thru undetected ~1 per year
2. Get me the fast disk code.
Will download source from Q-Link
3. Get me the C64 communications code.
Ditto
4. What are Mark, Janet and Ken's Q-Link names?
Marc Seriff: Marc S
Janet Hunter: Janet
Ken Hunstman: Ski Racer
Steve Case: Steve C -or- SMC
5. What do they need from me?
Nothing 'til they read docs I sent
FTF meeting probably week after Thanksgiving or week after that,
probably Seriff coming here after Comdex
