

Changes and/or additions to Populopolis

Overall

Roadblocks... Stores need back doors. Maybe we should expand downtown and add a back alley and other stores.

Addition of missing teleports!

We need to create the original Daily Rant issue

We may want to create one magazine...These should be specific to one's interests...running, news, software, etc.

Bob's Bank

Add another ATM for 2 users?

News Stand

Region shows newspaper and Magazines... We need Text for them!

Hall of Records

No interior for this region and I am not sure what to put in there if we had one.

Furniture store

Place CLOSED sign in front!

Kelly's bar

Should have a larger interior. 2-3 regions at least!

May need to protect items inside from users.

Pawn Shop

Nothing to do here at this time...
