'The quest for the Great Horn of the Green Bleem' is now called:
'The quest for the Tome of Wealth and Fame'

The tome is the graphic style #7 of book.
100% of the special case code is on the host.
The Oracle will arbitrate prize awards.

It works like this:
If you are holding the tome and 'do' it, you will recieve
several pages of text (congratulations, instructions & a list of names.)
The beahviour code will check to see if your name is on the list,
if it IS NOT, it will add you name TO the list. One of the instructions
is to inform the Oracle that you found the tablet. The Oracle/super-user
must then make certain that the rules have been adhered to, then will
award the cash bonus (and mail WEEKLYRANT with username?).

>>>>> The Tome of Wealth and Fame <<<<<

IMPORTANT: Please read ALL of the
stones in this tablet.

CONGRATULATIONS! You have completed the
first step in the Quest for:
>>>>> The Tome of Wealth and Fame <<<<<

Upon successful completion of the
quest, you will receive $5000. Also,
for NO EXTRA CHARGE, you will have your
name engraved in these tablets for all
ETERNITY so treasure seekers will know
that YOU have joined the ranks of:
Master Adventurers.
To collect your prize you must:
1) READ ALL of this tablet
2) HIDE them in a place that will make
    them hard to find.
3) SHOW them to NO ONE.
4) HIDE them NOT in a turf.
5) When they are hidden, seek an Oracle
    and say "Willy Willy Nilly Billy".

  The Oracle will decide how well you
obeyed the rules & how well you hid the
tome. To collect your prize you MUST
hide it well enough that no one ELSE
finds it before the Oracle can respond.

and walks very strange.
Not forward or sideways,

To find The Back-40,
(If you are new),

Walk into the blue.

How about a picnic at 'The Beach'?
It'll put those riches in your reach.

'The Beach' can be found This Way...
Look for the place where stars shine.
and go to a star, just yours, not mine.

Find the Hut of the Yabba-Dabba-Flit
Once for each rock in it's pit,
Count to the Left as you flee.
Write this down, its confusing you see.

STARE WARS: act IV page 99

LUNK: "In the name of all thats RIGHT,
the rebellion will win"

DIRTH: "I will put DOWN your puny
'rebellion' with the wave of my hand!"
(DIRTH gestures, and LUNK starts grasping
his throat with his RIGHT hand then falls
DOWN to the ground writhing in pain.)

LUNK, gestures with his LEFT hand and
sends a sofa flying into DIRTH, thus
releasing LUNK.

LUNK:"UP with the rebellion!" and
LUNK escapes by using his laser-
chainsaw to cut the power.

note to the scriptwriter: is this
the RIGHT way to get out of this
